

The second annual Melbourne Guitar show is scheduled for August 6th and 7th at Caulfield Racecourse in Melbourne. It was a great show last year and is eagerly anticipated to be even better this year. To book your tickets (they are discounted when pre-ordered) click [here](#). A day pass is \$16 with the two days at \$25. Concession prices are \$10 for one and \$15 for two days. Lots of eye candy and free entertainment for those prices! Stop by our stand and register for a free Tonsetter!

We also remind you in this issue of other ways to stay in touch with what's going on at VASE. We post regularly on Facebook, YouTube and Instagram. And of course we are here at the factory Monday through Friday if you would like to arrange a visit. All our phone and e-mail information are below. No reason to be a stranger!

Ready, Set, SHOW

It's SHOWTIME, Melbourne Guitar Showtime, that is. At VASE, we are busy making preparations for our second Guitar Show appearance. We enjoyed attending and showing our wares last year and are looking forward to another great show.

This year will be bigger and better! On our stand will be the guitarists' guitarist Tim Gaze accompanied by Jason Castle, Greg Tschernetz and luthier and builder of VASE amps, Daniel Jeffries.

This group will be able to discuss, demonstrate and answer any questions you may have about our exciting products.

We will also be giving away a free Tonsetter 18 Combo in the vinyl colour and grille cloth combo of your choice! Register at our booth at the show.

VASE In Pictures

At VASE we are fortunate to have a good collection of vintage photos. Considering that these were taken in the days when you actually needed a camera and had to have pictures developed then find a way to hang on to them, we are fortunate indeed! It's a bit easier to come by photos now with every phone being a pretty good camera as well. We are always pestering folks for shots and are always glad to share them when we can.

Friend of VASE **Tony Giacca** (<http://www.guitarnerd.com.au>) has taken on the task of sharing these old (along with new) photos and videos on Instagram.

Here's a sample of what you can find on the VASE Instagram site:

Well it's metal month – metal-front month at least. Combined my Zemaits and Moonon wah pedal for the first time through the Trendsetter 60. Great sound, even with me driving.

We're in the depths of winter here in Queensland. How can I be sure? Well the sky is still bright blue but the pavement's not sizzling and I had to search for my track pants last week. I wore them for a day or two but I'm back in shorts now.

However the fact that it is technically Winter lets me pretend it's too cold to go dashing about with a lawnmower or wash the car on weekends. Instead I use the seasonal excuse to crank up the VASE and play. I hope many of you are doing the same.

Some great entries on our Facebook page recently. VASE is certainly spreading far and wide.

The Furious Few have been tearing it up in Europe with some recent Swiss shows and flying the VASE flag with Josh Murphy showcasing his Trendsetter rig.

Our good friend **Tim Gaze** doing what he does best. You can catch up with him at the Melbourne Guitar Show in August. BTW, if you haven't heard the latest **Tamam Shud** album then do yourself a 'you know what'. Outstanding!
