VASE Guitar Cabinets

\$1095-\$1295

GC-212, GC-312, GC-412

Celestion Guitar Speakers. Configurable as open or closed back cabinets.

The VASE Guitar Cabinets feature the classic Celestion 12" Greenback loudspeaker to deliver the volume, clarity and punch so desired by all guitarists. The GC-212 has 2 Celestion 12" Greenback Speakers, the GC-312 has three and the GC-412 has four.

All cabinets can be easily configured as either an open back or closed back design.

Chrome plated steel locating "dishes" positively position the stacked amplifier on top of the cabinet. Steel bar handles and rubber feet are fitted.

The Guitar Cabinets are available in the four original VASE vinyl colours and four colours of grille cloth, providing sixteen custom colour combinations.

Manufactured in Brisbane, Australia the VASE GCs continue the deep tradition of quality craftsmanship, acute attention to detail and an absolute passion for high quality musical instrument amplification.

The GC Guitar Cabinet is an excellent loudspeaker cabinet for the VASE Trendsetter 60 Deluxe Guitar Amplifier or the VASE Trendsetter 60 Overdrive Guitar Amplifier.
